An Interview with Associate Justice Sandra Day O'Connor 21

When a delegation of three Associate Justices of the Supreme Court visited Cardozo to meet with members of the European Court of Justice, Prof. David Rudenstine took the opportunity to discuss the conference with Justice O'Connor as well as what it's been like to be the first woman appointed to the US Supreme Court.

Did Elgin Cheat at Marbles? 25

In researching the "legal" right of Britain to lay claim to sculptures from the Athenian Parthenon, Professor Rudenstine found a lack of evidence to prove that their Ambassador, Lord Elgin, had the right to take the sculptures from Greece nearly two centuries ago. The article outlines his research and findings on which a future book will be based.

Dream Field: Intellectual Property and New Media. 31

At last count, nearly 1,000 Cardozo alumni are practicing in the field of communications, new media, entertainment, art, and intellectual property law. They work on both coasts, in firms large and small, in international companies, and new Internet start-ups. Six graduates, representing classes from three decades, talk about their jobs, the field, and the future.
