

I want to study abroad

Review information and materials at <https://cardozo.yu.edu/studyabroad>

Make an appointment with the Graduate and International Programs Office (GIPO)

OR

I have selected my preferred program(s) from the list of Cardozo's partner schools

I have selected an independent study abroad option

Complete an Application to Study Abroad and meet with Student Services for review of transcript and approval signature on application form

Request a letter of recommendation from Cardozo professor to be emailed directly to GIPO

Complete an Application to Study Abroad and meet with Student Services for review of transcript and approval signature on application form

OR

Submit to GIPO:  
 1. Application Form  
 2. Resume  
 3. Statement of Purpose – why you wish to study abroad, why you have chosen the particular program

Submit to GIPO:  
 1. Application Form  
 2. Resume  
 3. Independent Study Abroad Addendum – must make compelling case why educational objectives may be met at this independent school and not at Cardozo

If approved, GIPO will nominate you to partner program and you will be emailed information about completing application steps for them

If GIPO approves, you will be responsible for completing application to independent study abroad program

The Registrar will enroll you in 12 "study abroad" credits at Cardozo as a placeholder

Obtain approval from the Dean of Students for final list of courses and credits you wish to register for abroad. Complete Leave of Absence and Transfer of Credit forms with Student Services and submit to Registrar Office

Obtain approval from GIPO for final list of courses and # of credits you wish to register for abroad

Follow all other procedures and instructions from GIPO to prepare for study abroad

Follow all other procedures and instructions from GIPO to prepare for study abroad
